2022 diode laser titanium ice platinum triple trio laser 755 810 1064 nm 808nm hair removal machine

30% off ice platinum depilation /3 wavelengths diode laser 755 808 1064nm Titanium hair removal machine machine

Why choose our diode laser hair removal machine?

* Much stable and higher powerful new golden welding laser module with German DILAS bars . It can shot about 20 million times .

* Double water filters , only change filters per 6 months and 1 year. And some old filters in some machines need change filter

every month . Save much maintainance cost and times for you .

* New Italy Bluid-o-tech imported water pump replaced Chinese pump with better cooling system and more quiet duiring treatment .

Those obvious difference will be found when your customers compare with some machines with Chinese water pump .

* Japan TDK Six way power supply replaced four way power supply, much higher and stable output .

* TEC cooling system , can control water temperature by yourself to keep 808 diode laser machine running continuously within 24

hours even in Summer . Same function as your A/C in your house .

* Various power laser modules for your option , 300W 500W 600W 800W 1000W 1200W ... (6bars 10basr 12bars)

* Single 808 wave, 755nm/808nm/1064nm double wave and triple wave for option .

* Same inside parts as ice platinum laser
